

# WorkCenter

Small parts store easily (bins lift out to go where you need them).

**bins**

Steel SturdiToolracks let you see what you've got.

**tool racks**

Never lose your tape measure again.

**shelves**

Get hooked on getting organized (sorry about that!).

**hooks**

No more rummaging in drawers for your favorite tool.

**tool holders**

Resin tops & drawers for every work center need. Steel SturdiDrawers can lock.

**tops & drawers**

## *even the stuff you don't have yet.*

Cabinets and baskets. Shelves and bins. Tool racks. Hooks. Drawers and worktops. Even a full line of basic garage and work center kits to get you up and going quickly.

When we design your garage with rugged ORIGINAL storeWALL HEAVY-DUTY wall panels, what you see is what you've got.

Until you get more, of course.
